**RE: South Carolina Disconnection Report of Service Terminations  
Docket No. 2006-193-EG**

Dear Mrs. Boyd:

The Public Service Commission of South Carolina, as communicated in the letter from F. David Butler dated January 12, 2005, asked Duke Energy Carolinas, LLC ("Duke Energy Carolinas") to provide its South Carolina Disconnection Report of Service Terminations on a quarterly basis. While reviewing recent filings, we observed that the Disconnection Report of Service Terminations for the first quarter of 2012 had not been filed. Consequently, please find attached the report for the period January 2012 through March 2012.

The attached information contains the total number of customers whose services have been terminated, the daily number of customers' services that have been involuntarily terminated and the reasons (i.e., nonpayment of bill or deferred payment agreement and fraud or tampering), and the average duration of service interruptions.

A Summary of Delinquency Process was previously provided in Duke Energy Carolinas' (fka Duke Power, LLC) report for the quarter ending December 31, 2004.

If you have any questions, please let me know.

Respectfully submitted,

Timika Shafeek-Horton

Enclosure
